

GRANADA

The Granada is bang on trend. It's well known for its quality and outstanding value for money and is a home that has been designed with families in mind.

The open plan layout gives this holiday home a spacious and airy feel. With shelving and storage everywhere you look, it gives a nod to those holiday homes that we all loved in the past but with a stylish contemporary twist.

A choice of upholstery means you can have the family friendly Riverdale (no need to worry about spillages) or if cream is your thing then consider Harvest - both go fabulously with the curtains and cushions. The lounge is made for comfort, just kick off your shoes and enjoy the views from either your windows or patio door.

Each of the rooms feel generous in size, from the 29 x 12.5 to the 40 x 12.5, there is a model to suit all your needs.
